OUR STORY

Erected in 1882, the original site of Amherst Baptist Church is now home to Second Stage. In 2005, the church Congregation relocated. In 2012, a group of town residents worked to repurpose the historic building to support Amherst's cultural, civic, business, and creative communities by establishing Second Stage, a 501(c)(3) non-profit organization in 2014.

IMPACT

Gifts to Second Stage allow the Director to meet the organization's most pressing needs, which include the maintenance and improvements of the historic and treasured property, provide programming, classes, and events for the community, and serve as a work space and event space for the residents of Amherst and surrounding region.

SPONSORSHIP

As we approach our 10 year anniversary, we invite you to serve as an inaugural sponsor to help us secure the next decade of Second Stage. Thank you for helping us execute our strategic vision to be a center for engaging our creative, cultural, and business communities. Together, we can build the premier meeting ground of Amherst.
